Feature

Outstanding Academic Titles, 2017

Choice's annual list of the most significant print and electronic works reviewed during the year.

Choosing the works that constitute our annual Outstanding Academic Titles list—affectionately known as the OATs—takes an entire year of effort.

Each of the subject editors here at Choice combs through the hundreds of titles that were identified as potential OATs over the course of 2017 (we published some 5,500 reviews last year).

What makes a title outstanding? It must achieve a minimum recommendation of “highly recommended.” From there, editors, with the help of the reviewer’s critique and their own subject area expertise, weigh a title’s impact on its category. Is it a groundbreaking release? Unusually comprehensive? Does it advance a particular area of study? Has it emerged as a core title for an undergraduate collection? Lastly, did it earn superlatives such as these from our intrepid reviewers:

“[It] does everyone a valuable service.”

“The fieldwork is exceptional and wide-ranging.”

“A must read.”

“Thoughtful, highly readable, and provocative.”

This year’s list features 504 titles in 48 disciplines and subsections from 152 publishers. But overall, the OATs reflect the sheer volume of publishing excellence happening in the scholarly market. It’s gratifying to think we can present a list of such distinguished work that’s hundreds of titles long. Indeed, this prestigious list is perhaps Choice’s most anticipated feature of the year—by librarians and publishers alike—and often influences purchasing decisions for the coming year. Choice congratulates the authors, editors, and publishers who made the list and whose work is so vital to the scholarly endeavor.

Outstanding Academic Title for 2017 by **CHOICE**

“This slender work is packed with an enormous amount of information related to the science of colour. The best part of the material is the array of pictures and diagrams, many of which are in colour, that help to complement the text. The book has something for the physicist, chemist, biologist, engineer, and lay reader. Summing up: Highly recommended.”

Help tell their extraordinary stories

Search centuries of Black History...in seconds. ProQuest's unparalleled collection of primary sources on the African American experience lets researchers uncover their most important stories – from slavery to civil rights to current events. Find first-hand accounts, reports, videos, literature, ebooks, historical newspapers, and more, all with unique and important perspectives.

ProQuest History Vault now features a collection of never-before-published military records from the Civil War. Explore the Confederate Military Manuscripts and Records of Union Generals and the Union Army module, winner of the 2017 ACRL CHOICE Academic Titles Award.

Need inspiration for your research? Explore our Black Studies resources.

Read an essay on the unique discoveries made by a professor and his students using FBI files on the Black Panther Party.

The Homing Place
Indigenous and Settler Literary Legacies of the Atlantic
Rachel Bryant
258 pp. • 6 x 9 • \$44.99 hardcover
Indigenous Studies series • 978-1-77112-286-3

Explores how colonized and Indigenous environments occupy the same geographical coordinates while existing in distinct epistemological worlds. Bryant's analyses call for a process of listening to the stories that Indigenous peoples have been telling about this continent for centuries.

Stan Brakhage in Rolling Stock, 1980–1990
Jerry White
432 pages • 9½ x 8 • \$64.99 hardcover
978-1-77112-303-7

Both a richly annotated collection of the reports Stan Brakhage wrote on the Telluride Film Festival for the magazine *Rolling Stock* and an analysis of his film work that attempts to place his singular corpus in the context of world cinema.

It Can't Last Forever
The 19th Battalion and the Canadian Corps in the First World War
David Campbell

680 pages • 7 x 10 • 179 bw and 16 colour illus., 23 colour maps • \$49.99 hardcover • Canadian Unit, Formation, and Command Histories series • 978-1-77112-238-8

Presents the first complete history of the 19th Battalion and its role in the Canadian Corps' operations in the First World War. Based on extensive archival research and featuring vivid personal accounts, it analyzes the unit's organization, internal dynamics, and evolution, from mobilization in 1914 to its return to Canada in 1919.
